It is a reputation that we have worked hard to earn, and we intend to keep it! We believe in working only with those suppliers that can consistently deliver high quality, great tasting beef.

We believe that the highest quality consistent beef comes from nutritionist formulated feed to enhance beef flavor and quality while maintaining consistent access to grasses.

The farmers and packers that we work with meet our cattle selection criteria for marbling, trimming, and sizing. Many of the family farms we support have been supplying our customers with the same exceptional beef for decades.

We are committed to supplying our customers with high-quality beef in every grade. Whether it is American Kobe Beef, USDA Prime, Certified Angus Beef®, USDA Choice, USDA Select, Reserve Angus, or all-Natural Beef, our customers receive what we think are the finest aged beef cuts available.

Our Specialty Meat Brands

Buckhead/Newport Pride is much more than our product brand name; it is how we conduct our business.

Just as artisan meat cutters have done for generations, we specialize in the craft of hand-trimming and hand-cutting our proteins. It is with pride that we source and select the finest available products, and then carefully craft them exactly to our customer's highest expectations. It is with pride that we diligently deliver our product to our customers and stand behind our quality with incomparable customer support. Our brands have grown to be some of the largest and most reputable in the nation, but our business will always be one that is built on relationships of trust...one customer at a time.

Backed by rigorous quality and safety specifications, our brands are sourced, aged, hand-trimmed and delivered to you.
