

USDA CHOICE Ribeye Steak Feature

Boneless Ribeye steaks, aged a minimum of 21-days, will deliver maximum flavor, tenderness, and juiciness! Individually portion cut and packaged, these steaks are ready for the grill!

Features, Advantages, and Benefits:

- Ribeye steaks have robust, beefy flavor, often described as the most flavorful cuts of beef
- Value: pre-portioned steaks eliminate the need for back of the house butchery
- USDA Choice grade marbling provides enhanced flavor as the fat melts during cooking, infusing the meat with a buttery, savory taste
