Originally part of J. Kings Food Service, Crown 1 Enterprises was acquired by Sysco Corporation in August 2019. Located in Bay Shore, NY, Crown 1 Enterprises is a state-of-the-art 42,000-square-foot facility specializing in fresh food manufacturing, including ready-to-eat meals and raw value added meat solutions. With over 12 years of experience, we proudly hold an SQF Level 9 certification with a 97% score, reflecting our commitment to the highest standards of food safety. Our team of experienced professionals and innovative chefs, combined with our affiliation with the Sysco Foodservice family, ensures a comprehensive and exceptional service experience.

Our USDA cutting facility, combines automated processing as well as hand cut portion-controlled products, Poultry, Beef and Pork, cut to our customers specifications, resulting in value added products, with little to no waste to the customer.

The Crown 1 Kitchen provides fresh ready-to-eat proteins, entrees and sides in single serve and bulk packaging at a reasonable price with extended shelf life through modified atmosphere packaging, as well as HPP, high pressure processing for even longer shelf life.

As of February of 2025 Crown 1 is proud to be recognized as an official Sysco Brand!
